Simplify Your Payments with Automatic Bank Draft

We're always looking for ways to make managing your account easier, more convenient, and more rewarding. Our **bank draft program** is a simple solution designed with your busy schedule in mind.

On the reverse side of this page is our bank draft authorization form. When you sign up, your payment will automatically be withdrawn on the **15th of each month**, ensuring your bill is always paid on time—no stamps, no stress, and no worries about mail delays or missed payments. After enrolling, your statement will show **“By Bank”** under “Paid.”

As a thank you, you'll receive a **\$0.50 monthly credit per account** when you enroll!

We understand some members have concerns about security. With bank draft, **you stay in control**—you're simply authorizing your bank to pay Highline Electric on your behalf, just like writing a check. We do **not** access your account; your bank only processes the payment.

Why Choose Bank Draft?

- ✓ Payments are always on time
- ✓ No risk of lost or delayed mail
- ✓ Less hassle—set it once and forget it
- ✓ Monthly account credit for enrolling

Important Information for “In Care Of” Accounts

If you are listed as an “in care of” on an account (such as irrigation tenants) and later are no longer responsible for that bill, please notify us so we can remove your bank draft information.

Paperless Billing Option

Bank draft does not automatically enroll you in paperless billing—you will continue receiving mailed statements unless you choose otherwise. You can opt-in to paperless billing for an **additional \$0.50 credit per account per month**—that's **\$1.00 total monthly savings** when combined with bank draft!

Take the next step toward easier payments today. Complete the form on the back or sign up online at www.hea.coop/bankdraft.

If you have any questions or need assistance, we're here to help!
