

Surge Protection Warranty

Please note that Leviton products sold by Highline Electric Association have a LIMITED LIFETIME WARRANTY. Leviton warrants to the original consumer purchaser and not for the benefit of anyone else that this product at the time of its sale by Leviton is free of defects in materials and workmanship under normal and proper use during the lifetime of the product. Leviton's only obligation is to correct such defects by repair or replacement, at its option. For details and to submit a concern, please visit www.leviton.com or call 1-800-824-3005. This warranty excludes, and there is disclaimed liability for, labor for removal of this product or reinstallation. This warranty is void if this product is installed improperly or in an improper environment, overloaded, misused, opened, abused, or altered in any manner, or is not used under normal operating conditions or not in accordance with any labels or instructions. There are no other or implied warranties of any kind, including merchantability and fitness for a particular purpose. Leviton is not liable for incidental, indirect, special, or consequential damages, including without limitation, damage to, or loss of use of, any equipment, lost sales or profits or delay or failure to perform this warranty obligation. The remedies provided herein are the exclusive remedies under this warranty, whether based on contract, tort or otherwise.

This means that Leviton's warranty is only valid if the surge is at or under the joules of protection the product can take. Different products have different joule ratings; this is important. The more joules of protection a product offers the better.

<p>Good</p> <p>Surge Protective Plug-Ins or Strips to plug your tablet, refrigerator, or even your HDTV into.</p>	<p>Better</p> <p>Surge Protective Plug-Ins or Strips AND a Surge Protective Panel that protects your main electrical panel.</p>	<p>Best</p> <p>Surge Protective Plug-Ins or Strips AND a Surge Protective Panel that protects your main electrical panel AND a Meter Socket Adapter you would install by your main service entrance (between the utility pole and where your electricity enters your service panel).</p>

Any warranty claims on Leviton must be handled directly with Leviton by the HEA member. Highline Electric is not liable for any damage personal electronics may incur due to failure of Leviton equipment. To submit a claim, please visit: http://www.leviton.com/OA_HTML/SectionDisplay.jsp?section=62090
